

**DETAILED ACTION**

**Claims 30, 31 and 33-37 are pending in the application.**

***Election/Restrictions***

Applicant's election of Group IV (claims 30 and 31) in the reply filed on October 29, 2009 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

The requirement is still deemed proper and is therefore made FINAL.

Claims 33-37 (Group II subject matter) are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim.

Election was made **without** traverse in the reply filed on October 29, 2009.

It is suggested that in order to advance prosecution, the non-elected subject matter be canceled when responding to this Office Action.

***Priority***

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

***Information Disclosure Statement***

The Examiner has considered the Information Disclosure Statement filed on September 18, 2006.

***Claim Objections***

Claims 30 and 31 are objected to because of the following informalities: in claim 30, the "R3" in formulas VII and VIII should be changed to "R<sub>3</sub>" as found in the definition. Appropriate correction is required.
